

FLORENCE COMPETITION AUTUMN SCHOOL

A four-day, advanced residential course to stay ahead of the curve in global competition policy. You will dive into the latest developments from Europe, the USA, and beyond, guided by top-tier academics, expert practitioners, and key officials from competition agencies. This interdisciplinary programme is tailored for mid-career professionals, including in-house counsels, lawyers, economists, competition authority officials, academics, advocacy officers, and specialized journalists.

6 - 9 October 2025

LEARNING OUTCOMES

1

Deepen your understanding of EU competition regulations and their foundational principles.

2

Enhance your analytical skills for navigating competition law cases and addressing workplace challenges.

3

Develop an interdisciplinary grasp of competitive dynamics to contribute effectively to your organisation.

4

Stay updated on recent enforcement cases, regulatory changes, and legislative updates.

5

Share insights and expertise with colleagues from various sectors and industries.

6

Expand your professional network with peers who have similar interests and complementary expertise.

PROFESSIONAL DEVELOPMENT

The course's final certificate is eligible to provide training credits for lawyers before their national bars.
